Canvas Instructions and Stitching Order:

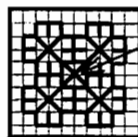

**Remember, when a stitch needs to have compensation to begin it in an area where you can complete the entire motif. Then go back and do as much of the complete stitch as possible, for compensation.

1. TOP SECTION: Background Woven Plait Stitch with HG81. Start so it covers the top outline of the bell. Work in between top of holly and poinsettia. Complete those later.
2. Holly: Lazy Daisy Stitches with PY026 and Cotton+361. Use 2 strands of the Cotton+.
3. MIDDLE SECTION: Off-Set Running Stitch HG80.
4. Purple Package: Vertical Satin 2 strands Simply Wool #272.
5. Yellow Package: Vertical Satin 2 strands Cotton+ #100. Horizontal Satin 2 strands Cotton+ #109.
6. Blue Package: Sof-Silk #285 Top Vertical Satin, bottom Horizontal Satin
 Do Bows Last: Pink Bow: R885, Lazy Daisy and Long Stitches
 Royal Blue Bow: R859, same as above
 Pink Tie: D319, Tent Stitch
7. BOTTOM SECTION: Background PB06 Blackwork Pattern. Cross Stitches: HG13.
8. Red "flowing" ribbon: Vertical Satin PY072.
9. Candy Canes: 4 strands of PY217 laid over cane area. Couched with 1 strand PY072, for stripes.
10. Colonial Knots: PY072.
11. Poinsettia: 1 length EACH of R820 and RS821, 1 1/2 yards long. Gather them together...one on top of the other. Use a Running Stitch down the center of the ribbon. Couch it down with the bead holding it in place. Separate the ribbon "loops".
12. Don't forget to finish this off with MBP31 - "Jingle Bells" Music Box.

Enjoy! Susan
